

## WHAT IS THE JINDII JUNIOR PROGRAM?

Jindii Juniors is all about 'Kids Connecting'; with themselves, with others and with their environment.

**Our School Holiday programs are fun, engaging and inspiring and are designed to develop your child's emotional intelligence, self-care rituals, creativity and to improve their self-confidence.**

Jindii is all about helping parents restore their energy, mind and health. Developing self-care rituals is vital and your kids will learn from you how to love, care and nurture themselves. Our Jindii Junior Program means that you can book in your treatment and enjoy a well-deserved recharging and replenishing spa session, whilst your child is being inspired and engaged in our fun program.

## SEPTEMBER JINDII JUNIOR PROGRAM

Wednesday 27 September 2017, 10am - 3pm

Jindii Juniors will engage in a wide range of activities to celebrate Spring including a trail walk, creative activities and storytime.

Infusing locally sourced botanical ingredients, Jindii EcoSpa is a place of escape and simply "be".
