Designed to extend your main treatment with a little bit of extra love

Mirri Facial

Integrating Australian native ingredients such as Lillypilly, Tasmanian Kelp and Macadamia, this is an ideal pick me up treatment to cleanse and nourish your skin. Perfect after a long flight, late nights, or whenever your skin could benefit from a boost of TLC, the Mirri Facial is a particular favourite to combine with your main treatment

Miji Kodo Massage

An adaption of the Kodo Body Massage, this rhythmical body massage is inspired by traditional Australian Aboriginal techniques which work to balance and re-align energy flow, enhancing mind and body wellness. A combination of pressure points and spiralling movements ground and uplift, working to relieve muscular aches and pains whilst leaving the body renewed and refreshed. A choice of native aromatic oils is prescribed to address your individual needs – to rejuvenate, reharmonise or purify.

Miji Jina

Soak away tension and treat your feet to this wonderfully relaxing and grounding treatment. Begin with a skin softening foot soak followed by an invigorating Desert Salt exfoliation to remove rough skin. Our warming Pepperberry foot mask is applied to hydrate and soften the skin. Complete with a decadent foot massage, this treatment will rejuvenate the entire body whilst melting away tension stored in your legs and feet

Miji Polama

Rescue tired, rough and parched hands with this intensive soothing, and replenishing treatment for hands, nails and lower arms. Begin with a skin softening hand soak followed by a smoothing Wattleseed exfoliation. A nail and cuticle tidy will be followed by the application of a deep, nourishing mask using Tasmanian Kelp to leave skin soft and hydrated. Finish with a nurturing massage for the lower arms and hands to remove every ounce of stress.

Gadhang Gumbbee Spa

Benefit from the therapeutic powers of an underwater massage from high pressure water jets. We combine a restorative multivitamin blend of Tasmanian Peat Bath Mud, Body Salts, and Ocean Dreaming Bath Oil to assist in relaxing, detoxifying and toning, achieving complete rejuvenation by simultaneously cleansing and delivering essential nutrients to the skin. Ideal before any massage.
