## AUSTRALIA'S LIVING TREASURE

*Alive with discovery*

See the world's most diverse  
display of Australian native  
plants and landscapes

# JOURNEY ACROSS AUSTRALIA

Only minutes from Canberra's city centre you will find a treasure of Australian plants and landscapes. Take a journey across Australia from the coastal rainforest to the arid Red Centre and admire the diversity of over 6,300 native plant species all in one location.

## A garden for all to enjoy

The Gardens offer a great day out for families, couples, groups and people of all ages. You can relax with a picnic, enjoy an event or exhibition or immerse yourself in the beauty of Australian plants and landscapes. Learn more about Australian plants on a guided walk or follow one of the many self-guided walking trails on offer.

# THE GARDENS

Our themed gardens allow visitors to experience the range of Australian plants and landscapes on display.

## RAINFOREST GULLY

Wander the boardwalks that guide you through the cool rainforests of eastern Australia from Tasmania to Queensland.

## ROCK GARDEN

Listen to the sounds of the waterfall and discover some of the smallest, most delicate plants growing in the Gardens. It's also a great place to spot water dragons in spring and summer.

## SYDNEY REGION FLORA

Uncover the beauty of the flora from the Blue Mountains and Sydney sandstone regions.

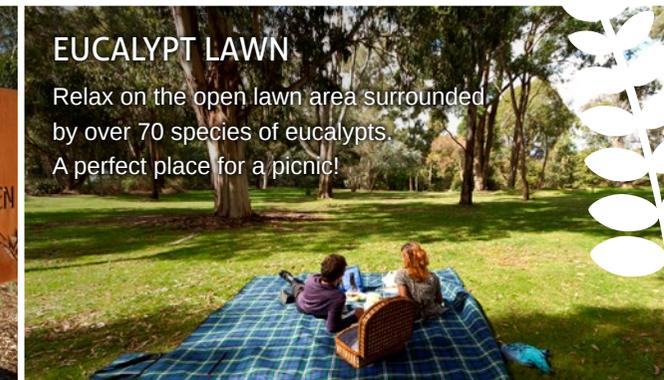

## GRASSY WOODLAND GARDEN

Take the boardwalk through the eucalypt woodland containing a rich diversity of grasses and other understorey plants.

## EUCALYPT LAWN

Relax on the open lawn area surrounded by over 70 species of eucalypts. A perfect place for a picnic!

## ASTERACEAE GARDEN

Get up close and experience the diversity of Australian daisies – from tiny annuals to large showy shrubs.

## RED CENTRE GARDEN

Experience the iconic plants, rich red sand, rocks and landscapes of Central Australia.
