

World Heritage-listed Kakadu is a place of abundance, bursting with fresh food. With bush tucker delicacies from barramundi to magpie goose, there is something for everyone.

Today we take ancient traditions and give them a modern twist. Cook and eat with us. Learn and discover with us. We welcome you to our home, Kakadu, to experience flavours you'll find nowhere else on earth. We invite you to come and try them for yourself.

A range of activities included:

- Boutique dinners
- Campfire stories
- Bushtucker walks
- Cooking demonstrations
