Interpretation

In this class approval:

- 1. Approved Actions means the actions described as Approved Actions in this class approval.
- 2. **Approved Persons** means a person in the class of persons described as Approved Persons in this class approval.
- 3. **Approved Zones** means a Zone in which the Approved Actions are authorised by this class approval to be carried out.
- Director of National Parks means Director of National Parks continuing under section 514A of the EPBC Act and includes any agency that succeeds to the functions of the Director of National Parks.
- 5. **EPBC Act** means the *Environment Protection and Biodiversity Conservation Act* 1999 (Cth) and includes any Act which amends or replaces the EPBC Act.
- 6. **EPBC Regulations** means the *Environment Protection and Biodiversity Conservation Regulations 2000* (Cth) and includes any Regulations that amend or replace the EPBC Regulations.
- 7. Greenhouse Gas Storage Exploration Activities means all activities undertaken in accordance with an Environment Plan accepted under the Offshore Petroleum and Greenhouse Gas Storage (Environment) Regulations 2009 for, or as are necessary for, exploring for potential greenhouse gas storage formations or potential greenhouse gas injection sites.
- 8. **Mining Operations** has the meaning given to that term in section 355(2) of the EPBC Act, that is:
 - (a) operations or activities connected with, or incidental to, the mining or recovery of minerals or the production of material from minerals, including:
 - (i) prospecting and exploration for minerals; and
 - (ii) milling, refining, treatment and processing of minerals; and
 - (iii) storage and disposal of minerals and materials produced from minerals;
 - (b) the construction and use of towns, camps, dams, pipelines power lines or other structures for the purposes of operations or activities described in paragraph (a);
 - (c) the performance of any other work for the purposes of operations or activities described in paragraph (a).

'Mining Operations' includes, but is not limited to, all activities undertaken in accordance with an Environment Plan accepted under the *Offshore Petroleum and Greenhouse Gas Storage* (*Environment*) Regulations 2009 for, or as are necessary for, the following purposes:

- i. petroleum exploration;
- ii. petroleum recovery operations;
- iii. constructing or reconstructing an infrastructure facility;
- iv. constructing or reconstructing or operating a pipeline; and
- v. any decommissioning activities in relation to items (i) to (iv) above.
- North-west Marine Parks Network means collectively the Argo-Rowley Terrace, Ashmore Reef, Carnarvon Canyon, Cartier Island, Dampier, Eighty Mile Beach, Gascoyne, Kimberley, Mermaid Reef, Montebello, Ningaloo, Roebuck and Shark Bay Marine Parks established and described in the Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2013.
- 10. **North-west Network Management Plan** means the *North-west Marine Parks Network Management Plan 2018* made under section 370 of the EPBC Act.

 Zone means a management zone established by, and described under, Section 3.1 North-west Network Management Plan. 	1 of the
