Disclaimer:  
 The marine park boundary depicted on the map is a spatial interpretation of the boundary as described in the *Environment Protection and Biodiversity Conservation (Indian Ocean Territories Marine Parks) Proclamation 2022*.

Coordinates are expressed in degrees and minutes. Where gazetted boundaries are not specified as whole minutes, the coordinates shown have been rounded to 3 decimal places of a minute (+/- 1 metre of gazetted coordinates).

Straight lines on this map, other than meridians and parallels, are geodesic lines (shortest line between points), they are not lines of constant bearing (rhumb line or loxodrome).
