

Animals of the park

Are you interested in native animals?

Join our Natural and Cultural Resources Ranger to learn about the native animals of Uluru-Kata Tjuta National Park.

The FREE presentation will give you a deeper understanding of the park by looking at the extinct animals and the work being done to conserve the remaining threatened species.

The presentation will be offered once a week from Wednesday 8 April 2015 onwards.

When: Every Wednesday

Time: 2.00 pm (for approx 1.5 hours)

Meet: at Cultural Centre Information Desk

Maximum numbers: 45 people

No need to book - just turn up on the day.
